Aerial Archaeology In Britain Shire
Derrick N. Riley became interested in archaeology and also in flying, during his schooldays. His experience of aerial archaeology dated back to the Second World War, when he was a pilot in the Royal Air Force. During periods of duty as a flying instructor he observed numerous archaeological sites, some of which he was able to photograph and publish. Aerial Archaeology in Britain (Shire Archaeology): Riley ... Aerial surveying is an important technique used in archaeology, providing a new perspective on large sites or features that are hidden at ground level. This book uses fascinating photographs to illustrate the way in
