Associate Employment Agreement
Dental Development An
employment agreement sets forth
many of the details of an associate
dentist's employment, such as
compensation, benefits, and duties;
items that pertain to the period
during which the dentist is
employed. These details are
important, and the key provisions
that address them are discussed
later in this treatise. DENTIST
EMPLOYMENT AGREEMENTS: A
GUIDE TO KEY LEGAL
PROVISIONS Again, the above is not
an exhaustive analysis of
employment agreements in general
or dental associate agreements
specifically. You must consult with a
competent employment law

attorney before signing any agreement. Although there may be a cost to have your agreement reviewed, it will be money well spent if it saves you income, time, and anxiety. Things to look for in your associate dentist employment ... Associate positions throughout the dental industry vary greatly. W-2 employment is most likely what you truly are. That means the employer takes your tax withholding and takes responsibility of the daily operations of the practice. 1099 contractors are simply paid for services rendered. Dental Associate Agreement and Employment Contract: Is it ... The dentist employment agreement is a contract between a licensed practitioner and the professional

entity for the employment of services for salary, percent of the business, or on a partnership level. The dentist will be required to work a minimum amount of hours, commonly 30-40 hours per week, and have their payment be based on the type of services that are being provided. Free Dentist Employment Agreement | Dental Office ... Developed to assist dentists in understanding the contents of a typical agreement. Many common contract terms and conditions are included in this sample with considerations provided for those areas that may be ambiguous. Disclaimer The information provided by this sample agreement is provided for informational purposes only and should not be construed as legal

advice, recommendations, or ... Sample Associate Agreement (Legal Reference Guide for ... The dental associate contract, part one Mr. Prescott takes a comprehensive look at the dental associate contract process, including key considerations the associate and practice owner should make before entering a binding agreement. Key issues include restrictive covenants, compensation, bonuses, and liability. May 1st, 2017 The dental associate contract, part one | Dental Economics For most associates, some level of minimum-guaranteed annual compensation is equally important to insure that the associate will have sufficient income to meet their personal expenses. The typical guarantee for general dentists is

the services are performed on the

premises of the dental practice. The

associate does not provide similar

services for any other dental office.

The associate is bound to a practice

handbook or other internal rules and standards. Hiring an Associate: Employee or Independent Contractor ... Associates The majority of dentists in general practice work as self-employed associates. The relationship between associates and practice owners centres on the associate making regular (usually monthly) payments to the practice owner in return for the use of the practice premises, equipment, materials and staff. BDA Associates Associate Agreements. A well prepared associate agreement (whether in the form of an employment agreement or an independent contractor agreement) is an important document for any dental or veterinary practice. Our professionals prepare associate

agreements for practice owners, and also review these agreements for associates working for practices. Our lawyers regularly advise clients on restrictive covenants and issues related to these provisions, which are among the most important provisions ... Associate Agreements | Services | Your Dental Lawyer Commonly, restrictive covenants in associate agreements prevent associates from working as a dentist within a particular radius of the practice for a particular period of time and from treating patients of the practice. Top tip: You should consider whether such clauses are reasonable. Dentists' associate agreements: key terms to look out for Here are a few common threads to help you think through what might be an attractive

compensation agreement. Please note: for purposes of this article, the terms associate and employee will be used interchangeably. Keep in mind that an associate can be an independent contractor, rather than an employee. Compensation as an Employee or Associate Dentist ... It is your responsibility to develop and secure your patient base. You will attend general practice meetings at the request of the Practice. You will be specifically responsible for the direction, hiring and/or termination of the dental assistant assigned or hired by you and in either event compensated by you. Pennsylvania Dental Association Restrictive covenants are clauses that ask the associate to not do something they would otherwise be able to do - such as compete with the business

of the dental practice or solicit the patients, employees, or referring dentists of the dental practice. I've written a lot about restrictive covenants, which you can read here. Associate Agreements (Part 1) - Dentist Lawyers | Dental ... The American Dental Association (ADA) is the nation's largest dental association and is the leading source of oral health related information for dentists and their patients.
