Strategy: An Introduction to Game Theory, 3rd Edition ... So far in my academic life, Games of Strategy has been the only textbook that I have read cover to cover and actually enjoyed. This book is a lovely introduction to the world of game theory. It is one of those subjects that, once you've learned it, you can't look at the world the same way again. Games of Strategy by Avinash K. Dixit - Goodreads Title: Games of Strategy: Theory and Applications Author: Melvin Dresher Subject: Classic work from 1961 discusses basic concepts of game theory and its applications for military, economic, and political problems, as well as its usefulness in decisionmaking in business, operations research, and behavioral science. Games of Strategy: Theory and Applications Games of Strategy, famous for its simple yet accurate exposition and its great examples and exercises, has been extensively revised for this Fourth Edition. The key to its broad success is that the authors assume no prior knowledge of game theory and present the material in the most accessible way possible.
