DNR Geomorphology and Geology are two words that do not differ much in their concepts, but there is a subtle difference between the two. In other words, it can be said that geology includes geomorphologic studies too. It can be said that geomorphology is a subset of geology. Geomorphology is the study of the physical features of the Earth's crust as related to its geological features. Difference Between Geomorphology and Geology | Compare the ... Saucier, R. T., 1974, Geomorphology and Quaternary Geologic History of the Lower Mississippi Valley. Saucier, R. T., 1994, Geomorphology and Quaternary Geologic History of the Lower Mississippi Valley: U. S. Army Engineer Waterways Experiment Station, Vicksburg, Mississippi.
