Arizona University . U. S. A. This paper presents some of the major program initiatives honoring Indigenous knowledge, culture, heritage, arts, and skills through curricular Globalization and Multilingualism: Case Studies of ... Globalization has had major effects on the spread and ascribed value of multilingualism.

Multilingualism is considered the use of more than one language by an individual or community of speakers. Globalization is commonly defined as the international movement toward economic, trade, technological, and communications integration and concerns itself with interdependence and interconnectedness. As a result of the interconnectedness brought on by globalization, languages are being transferred
