Learning In The Museum

Museum Learning in the Museum examines major issues and shows how research in visitor studies and the philosophy of education can be applied to facilitate a meaningful educational experience in museums. Hein combines a brief history of education in public museums, with a rigorous examination of how the educational theories of Dewey, Piaget, Vygotsky and subsequent theorists relate to learning in the museum. Learning in the Museum (Museum Meanings): Hein, George E ... Museums are designs for learning. Whether intentionally or not, museums embody views about what's worth learning, and the way that artworks,
