Ngss High School Biology Scope The Next Generation Science Standards (NGSS) are K-12 science content standards. Standards set the expectations for what students should know and be able to do. The NGSS were developed by states to improve science education for all students. A goal for developing the NGSS was to create a set of research-based, up-to-date K-12 science standards. Next Generation Science Standards Biology Scope and Sequence (Includes NGSS!) Whether you've been teaching biology for zero years or a zillion years, it's never a bad idea to have a scope and sequence. This is essentially a document that helps map out your year to avoid any
