The Renault 4, also known as the 4L, is a small economy car produced by the French automaker Renault between 1961 and 1994. It was the first front-wheel drive family car produced by Renault. The car was launched at a time when several decades of economic stagnation were giving way to growing prosperity and surging car ownership in France. The first million cars were produced by 1 February 1966, less than four and a half

years after launch; eventually over eight million were built, making the Renault 4 - Wikipedia Original factory and aftermarket manuals for every car, truck and motorcycle.
