Computing, Second Edition by Pfleeger, Charles P -  
AbeBooks 0133374866 - Security in Computing,  
Second Edition by ... The old edition (2nd) was getting  
dated and I was glad to see most of the material that  
needed updating was. In particular, the networking  
section was updated and sufficient for my course in  
computer security. Other books tend to provide a more  
short-term view of security, than a textbook with solid  
concepts. Amazon.com: Customer reviews: Security in

Computing 5th Edition Textbook Solutions ... Bookmark File PDF Security In Computing 2nd Edition By Pfleeger Security In Computing 2nd Edition Reflecting dramatic growth in the quantity, complexity, and consequences of security incidents, Computer Security, Second Edition, links core principles with technologies, methodologies, and ideas that have emerged since the first edition's publication. Security In Computing 2nd Edition By Pfleeger This book has some great high level information on computer security and is heavy loaded with the computer security's industry lingo. However, it does not cover details on hacking techniques and the content is quite verbose - not very succinct.

Additionally, this is not the latest edition of that book. Security in Computing by Charles P.
