The Soul Of Anime Collaborative The concept of 'co-creation' used by management scholars and sociologists is close to the 'collaborative creativity' used by Ian Condry to describe emergent structures of creative action in which both anime studios and fans play an important role. Similarly, "platforms" are a hot topic in management studies. The Soul of Anime: Collaborative Creativity and Japan's ... The Soul of Anime offers intriguing theories as to the unique appeal of anime, with the concepts of transmedia storytelling, collaborative creativity, and social energy. While I would argue that twenty-five percent of what Condry is talking about here applies to all fandoms, not just anime, it's a good look into the medium's specific charms.
